

Our Campaign

From our work providing academic services for thousands of children, we know academic success is a challenge in the face of deep poverty. EnCompass Navigation, our groundbreaking, holistic strategy, provides layers of support and year-round resources so that students can clear paths to successful lives.

Year One Progress

EnCompass Navigation is helping families achieve self-sufficiency, sustained success, and become resources for other families.

Navigation is building support systems and networks by identifying and aligning community partners to more effectively serve vulnerable children and families.

- ✓ Provided high quality academic intervention and programs for 2,400 students
- ✓ Developed holistic, college and career-readiness curriculum for teens grades 7-12 to become *FutureReady*
- ✓ Invested in more than 100 students and families with wraparound supports with the goal of working together for academic success
- ✓ Enhanced experiential learning opportunities for students of The Norman Howard School
- ✓ Navigators provided daily direct support to students and families including family meetings, coaching, transportation, school meetings, advocacy, and service coordination
- ✓ Satisfied urgent needs of families to enable their students to focus on learning
- ✓ Capacity-building parent trainings were developed and delivered including financial literacy, parenting, job training, and school advocacy
- ✓ Addressed food insecurity by increasing nutrition literacy through our Edible Education Food Literacy Program:
 - Constructed Teaching Gardens on 3 campuses
 - Provided weekly Food Backpacks and Emergency Food Baskets - 260 students, 1500 backpacks
 - Hosted Family Dinners - 165 participants
 - Organized Foodlink's Curbside Market at our campuses - 151 served
 - Delivered Student and Family Nutrition Classes - 800 participants

Year Two Plans

- Serve 2,500 students in our academic programs in 2018-19
- Serve up to 500 students + 200 family members in Navigation
- Increase staff from 2 to 10 Navigators
- Continue expansion of: Academic Supports, Parent and Professional Capacity Building, Edible Education Food Literacy Initiatives, College & Career-Readiness Programming
- Expand scholarships to increase enrollment of students at The Norman Howard School

EnCompass Navigation

EnCompass Navigation layers supports which connect students to their peers, families, schools, and community. We are applying learnings to working with middle and high school students to prepare them for success in college and careers.
